Community Bank Veteran Michael G. Stellar Joins CapStone Bank

RALEIGH, NC, September 22, 2011 — CapStone Bank announced today that Michael G. Stellar has joined the Bank as Senior Vice President/Relationship Manager for its Cary Loan Production Office. An industry veteran with almost 20 years of experience, the addition of Mr. Stellar will allow Capstone to broaden its growth plans in the Cary market. In his business development role, he will also be actively involved in the Bank’s plans to transition the loan production office to a full service branch at some point in the near future.

“We are extremely pleased to add a banker with Mike’s reputation to the CapStone team and are confident in his ability to serve local small businesses, professionals and individuals within our market through CapStone’s customized financial solutions”, said Eddie F. Campbell, Senior Vice President and Cary City Executive. “Mike’s wealth of experience and significant ties to the Cary, Apex and surrounding markets will assist us tremendously as we focus on expanding our presence in this vibrant community.”

Stellar is a graduate of North Carolina State University holding a Bachelor of Arts in Sociology. He supports the local community through his service as Past President and current board member of the Apex Rotary Club, Member of the Cary Rotary Club and Fund Raising Vice-Chair for the Boy Scouts of America – Occoneechee Council.

About CapStone Bank:

Founded in Raleigh, NC, CapStone Bank provides a full range of commercial banking services with a special focus on serving the deposit and lending needs of small to mid-size businesses, operating companies and professionals. In addition to our business relationships, CapStone offers comprehensive personal banking products and services both as an enhancement to our commercial relationships and to effectively serve our individual customers. CapStone’s philosophy is quite simple – to provide an unprecedented level of “high-touch” service delivered by a local team of experienced and knowledgeable bankers - all backed by the latest technology.
